

The background of the flyer features a large recycling symbol (three chasing arrows) in shades of green and blue at the top. Below it, a yellow recycling bin is shown with a black lid. At the bottom, a clear plastic bottle with a green cap is depicted. The text is overlaid on a yellow and brown background.

WHAT YOU NEED TO KNOW ABOUT RECYCLING REQUIREMENTS FOR APARTMENTS

Why recycle?

- State law now requires that apartment communities/multi-family housing with 5 or more units must recycle.
- Recycling may provide opportunities to save money.
- Recycling helps conserve resources and also helps create a healthy environment for our community and future generations.
- Many apartment residents are requesting recycling. Providing recycling helps promote your community as environmentally friendly and may help fill vacancies.

How to get started

It's easy to recycle.

- Use the information on the other side of this flyer to help your residents learn what they must do and what items can be recycled.
- Make sure residents separate recyclable items from trash inside their home.
- Tell residents they must place recyclable items in outside recycling containers for collection.
- Make sure residents know where outside recycling containers are located.
- **Note:** Any business or individual may donate, sell and/or otherwise arrange for the pickup of recyclable materials.

WHAT YOU NEED TO KNOW ABOUT

RECYCLING REQUIREMENTS FOR APARTMENTS

Apartment owners are required to offer recycling, and residents are required by law to recycle. Recycling helps conserve resources and also helps create a healthy environment for our community and future generations.

Types of material to recycle

- Clean, dry paper — junk mail, newspapers, magazines, phone books, catalogs
- Cardboard boxes
- Plastic and glass bottles and jars
- Metal and aluminum cans
- Metal containers and empty aerosol cans
- Plastic bags and dry cleaners bags

Don't put in recycling bin

- Broken glass
- Contaminated or wet paper
- Plastic hangers
- Plastic toys
- Garden hoses
- Rubber tires
- Hazardous waste — paint, batteries, antifreeze, pesticides, cleaning products, appliances, cell phones, TVs, computer monitors
- Do not place rubber tires or hazardous waste in recycling bins. For information on proper disposal or recycling of these materials, see <http://ladpw.org/epd/hhw/>.

How to recycle

Separate recyclable materials inside your home and place them in the outside recycling collection containers provided at your apartment community.
