PUBLIC FACILITIES RESERVATION AND FEE POLICIES

The Public Facility Reservation and Fee Policy (Policy) governs use of public facilities such as community center rooms, picnic shelters and sports fields by community organizations, residents, and non-residents. The purpose of this policy is to fairly and reasonably provide access to City facilities for the Irvine community and ensure uniform handling of like kinds of groups to avoid disparate treatment among similarly qualified user groups. Irvine is blessed to have many wonderfully appointed strategically located public facilities. Our challenge is to balance the needs of local user groups to secure regular meeting spaces and the needs and expectations of residents so they will have access to City facilities for their use.

The City of Irvine Facility Reservations Office is open Monday through Thursday from 7:30 a.m. to 5:30 p.m. and Friday from 8 a.m. to 5 p.m. The office is closed on City-observed holidays. All indoor facility rentals include tables and chairs; additional equipment may be available for rent or be brought in during the reservation time. Further information is available at 949-724-6620 during regular operating hours.

SECTION I - GENERAL POLICIES

Membership roster verification can take up to six months. Staff will confirm membership by random roster checks at multiple reservation periods to determine actual membership participation.

The City reserves the right to relocate activities to a more appropriately-sized room or location and may modify reservation start and end times, based on actual use, attendance, requests and use of multiple rooms, minimum room capacities or use of premium room during prime facility hours.

- c. Private instruction, clinics and camps provided for Category I, II and III organizations members will provide compensation to the City equal to 10% (private instruction) or 15% (group camps or clinics) of the gross revenues. Instruction must be conducted during the organization's allocated time.

10. Scope of Responsibility – Category I, II and III

All organizations and coaches are responsible for understanding and adhering to the requirements in the Aquatics Facility Users Handbook. The host organization is responsible for the actions of visiting team participants while within the aquatics center premises. Category I, II, and III organizations are responsible for setting up and cleaning up all events.

11. Pool Covers Policy

This section provides policies, procedures, and a process enabling the City to reduce energy costs at the aquatic centers with the assistance of local aquatics organizations, through use of thermal pool covers. As mandated by the Orange County Health and Safety Department, no pool or lane may be covered until all users are out of the water, and participants may not enter the water until all covers are removed from the pool.

a. Uncovering and Covering Pools

Regular Category I, II, and III organizations are required to assist the City in this energy conservation program by removing and/or replacing pool covers. Groups must provide trained personnel to remove and install pool covers at practices and special events. Aquatics staff will provide training on the use of the covers and reels to team coaches, who may then instruct team members and/or other adults on use of the covers and reels. A trained adult, 18 years or older, must be on deck to supervise the uncovering/covering of the pool(s) at all times.

All other users must pay staff costs for the hours necessary to set up, remove and replace covers and clean up the facility.

b. Liabilities and Disclaimers

Organizations may be held liable for damages to equipment caused by willful or negligent misuse or abuse of the equipment while in their care and use, excluding normal wear and tear. The City shall not be responsible for damages or injuries to persons or property which may arise from fulfilling these obligations as outlined in this policy and in the Aquatics Facility User Handbook.

Organizations participating in removing and installing pool covers, agree to indemnify, defend and hold the City and the Irvine Unified School District and their officers, employees and agents harmless and free from any liability, property costs, or attorney's fees arising out of or in connection with the pool covers.

c. Non-Compliance Fee

If a violation of the pool cover policy occurs, a fee will be levied equal to one (1) hour of pool rental (non-operating hours) and one hour of staff costs for each pool and each occurrence. A second violation within a six-month period by the same organization will result in the fee above increased by 25% for each additional occurrence. An organization violating this policy three (3) times within a six-month period or refusing to pay non-compliance fees with thirty (30) days, will be denied access to the facilities until a resolution is reached and payment is received in full. Extenuating circumstances may be considered by the Aquatics Supervisor.
