

The City of Irvine Invites Your Comments on the Jeffrey Open Space Trail Extension Project (Barranca Parkway to Walnut Avenue)

A Notice of Intent (NOI) pursuant to the California Environmental Quality Act (CEQA) and the City of Irvine CEQA Guidelines was released for a 30-day comment period from June 22 to July 24, 2017. The purpose of the NOI is to solicit input from individuals, organizations and public agencies regarding the findings of the environmental analysis provided in the Mitigated Negative Declaration prepared for the Jeffrey Open Space Trail Extension Project (Barranca Parkway to Walnut Avenue).

Environmental Impact: Mitigation Measures have been included in the project to avoid potentially significant effects in the following areas:

- Aesthetics
- Air Quality
- Biological Resources
- Cultural Resources
- Hazards and Hazardous Materials
- Noise
- Recreation
- Transportation / Traffic
- Tribal Cultural Resources
- Mandatory Findings of Significance

Please use the space below for your input to be included in this public comment process.
